

“This is a strategic moment in our nation’s history. What we desperately need is a substantive ministry on the Hill and Ralph and Danielle have spearheaded just that! Prior to their arrival, there was little in the way of ministry that was intent on expositing God’s Word and making disciples amongst the Members of both Houses. Now there is!”

—Michele Bachmann

Former Minnesota Congresswoman

“Ralph is committed to going deep in his Bible studies to help elected officials understand the Scriptures and how the Word of God applies to what we do here. This is a unique environment and one in which we need to have people of faith applying that faith in a real way.”

— US Senator John Thune,
R-South Dakota.

“I started doing the Capitol Ministries Bible studies that are led by Ralph Drollinger on my own and I greatly appreciate the in-depth look at Scriptural principles. Ralph is relevant and he takes on the big issues of the day that many run from. I encourage every state to embrace Capitol Ministries, which prepares lawmakers to make those tough decisions.”

—California State Senator Mike Morrell
R-District 23

Vision
2015

THE MISSION OF CAPITOL MINISTRIES TODAY is the same as it was when we were founded in 1996:

**TO MAKE DISCIPLES OF JESUS CHRIST IN THE POLITICAL ARENA
IN THE UNITED STATES AND THROUGHOUT THE WORLD.**

What better goal is there but for the world’s leaders to follow Jesus Christ and live their lives according to God’s commandments?

For 18 years Capitol Ministries has worked to plant effective Bible-teaching ministries in all Halls of Government: In Washington DC, in State Capitols, and—recently—in local City and County governments and foreign nations. Teaching these Bible studies are hand-picked, seasoned Bible teachers whom we call Ministry Leaders.

We do this because throughout the Bible, God commands us to reach Kings and Governmental Leaders with His Word. ACTS 9:15 is but one of those Scriptures. It speaks of Paul’s mission: “But the Lord said to him, ‘Go, for he is a chosen instrument of Mine, to bear My name before the Gentiles and kings and the sons of Israel.’”

We are grateful to you, our faithful supporters, for walking with us on this exciting journey to share the Word of God and to help Public Servants mature in Christ. We prayerfully ask that you continue to partner with us with your prayers and financial gifts as we continue to move forward on uncharted spiritual ground for the advancement of The Kingdom.

CAPITOL MINISTRIES ANNUAL TRAINING CONFERENCE

Every year newly-installed Ministry Leaders from around the United States and from several foreign nations gather for the annual four-day Capitol Ministries training conference. These seasoned Ministry Leaders are trained in our curriculum which includes everything from Bible study preparation to proper dress in a state or federal capitol. Likened to the legendary UCLA Coach John Wooden who won 10 NCAA national championships in 12 years, we are highly committed to repetitious training in the fundamentals of ministry among Public Servants.

US SENATE EXPANSION

We are blessed to report that some of the Congressmen in our nation's capitol who are part of the Members Bible Study have now become US Senators. These Senators are excited to help expand the Members Bible Study into the Senate. When we first started Capitol Ministries on the Hill five years ago, we could only count a handful of Senators who were mature in Christ—now we count over a dozen. These solid Christians will provide us with the basis to begin expanding and creating a Senate Bible Study beginning in January of 2015. We are so grateful for this latest development!

Your support and prayers are important as we look forward to new initiatives:

INTRODUCING CIVIC REACH™

CIVIC reach™ is a video training series that equips local churches to reach city and county government leaders for Christ. Our prayer is that this series will be used of God to stimulate, aid, serve and train local church leaders in their creation of effective, biblical ministries in and to their local Public Servants. CIVIC reach™ is scheduled to release in the Spring of 2015.

THE PUBLIC SERVANT'S NEW TESTAMENT

We are scheduled to publish The Public Servant's New Testament in partnership with the publishers of the New American Standard Bible in 2015. This paperback evangelistically-oriented New Testament will feature the testimonies of more than one dozen leading Public Servants from all levels of government: men and women in office who possess a clear testimony and strong relationship with our Lord and Savior Jesus Christ. They are models for up and coming Public Servants now in city and county government.

Vision 2015

NEW STATE MINISTRIES LAUNCHED IN THE US

While our flagship ministry in our nation's capitol has grown to include 72 congressional member sponsors, we continue our work to established state capitol ministries. (Visit www.capmin.org) We are excited that we reached our goal of planting 15 new ministries by 2015 two months early by God's doing! Among them are new ministries in the state capitols of **Arkansas, California, Delaware, Maine, New Hampshire, New Jersey, Oklahoma, Pennsylvania, Rhode Island** and **Wyoming**. Praise God that He is sending well-equipped laborers into these fields!

IMPACTING FOREIGN CAPITOLS

The Lord has been opening huge doors of opportunity for Capitol Ministries to expand into many of the French-speaking nations of Africa! It is our desire to recruit, train and launch at least 5 new ministries in as many countries in the coming year. Look for our website, www.capmin.org to be not only in English, but also in French and Spanish by the end of 2015!

THE NEW CAP MIN APP

We are producing a Capitol Ministries App. It will feature the weekly Bible Study being taught in Washington DC to the Public Servants in both the Congress and the Senate (with a new updated format). Other features on the App will include ministry updates from Washington DC, US State Capitols, Foreign National Capitols, Local City and Country Government Ministries. We greatly appreciate your prayers for this new communications tool.
